

Mini Golf

The Golden Fun Park golf course is an exciting, challenging, miniature course only minutes away from the city center of Chania. The course has been built according to official 18-hole standards.

This uniquely contoured course with multi-colored greens can be enjoyed by everyone, from the novice to the most experienced player. Most holes range in Par 2 and 3, with the longest hole having a full 85 ft. run. The carefully shaped, bright greens, offer a variety of banks, turns and swales. The experienced golfer will find the course a great way to challenge their skill while the less experienced golfer can have just as much fun. Professional minigolf courses for tournaments The Professional course, is the most exclusive Golf course. The design and layout are decided upon during the planning stage together with the club or customer, who is offered a choice of all course types which are approved for competition and tournament purposes.
